

DEAN'S LETTER

Dear Colleagues and Friends,

The year 2009 is off to a busy start! Our Valentine's Day luncheon and music sale promises to be full of fun and fellowship.

Once again, it's time to start making plans for the summer vacations. As you do so, please consider registering for the AGO's regional conventions this summer. Regional conventions are always exciting and rewarding events, and a wonderful way to meet old and new friends.

March 31, 2009 is the deadline for early registration for this summer's Region III Convention. Registering early benefits you with savings as does your chapter membership. Compare the early registration fee for Chapter members of \$250 with the regular registration fee for non-chapter members of \$350. Please see the January issue of TAO or the convention website www.hitthestops.org for details, and send in your registration form today!

How many of us make New Year's resolutions at the start of a New Year? And how easily do we break those well-intended resolutions? It seems like a very easy resolution would be to ask a non chapter

member to become a member. A good way to initiate this might be to bring the non-member to an AGO event. If all of us gave this idea 100% we would greatly add to our membership!

Mid-Year Memberships:

Reduced rates for NEW membership dues are available from February 1st through March 31st. These dues cover membership in both the local chapter and the national organization for the second half of the 2008-2009 membership year. The TAO subscription accompanying this partial-year membership begins with the March 2009 issue and will continue for nine months through November 2009. Anyone interested in **joining** our chapter at the reduced rate should request an application form from me or our registrar Carol Brady @ dncbrady@juno.com. Please encourage your friends who are not Guild members to join.

Current members please do not send payments now.

With All Good Wishes,
Victor L. Fields, Dean

Paul Lauer

Jon Noel visited Paul Lauer recently. He's doing okay. But I don't think he gets many calls or visits. He certainly isn't able to get to an organ anymore. I think it would be nice to encourage AGO members to visit, write, or call Paul. I asked him if I could put something in the newsletter. He said that would be okay. He just had a birthday on the 18th.

He's at Colonial Manor, 970 Colonial Ave, Room 516 Visitors can walk in the Country Club Road entrance and turn right down the hall. His room is on the left. His phone number is the same as always 843-2855.

SUBSTITUTE LIST

This list is published as a courtesy to chapter membership. Substitutes should be compensated according to the current rate available on the AGO national website.

Vernon de Tar Scholarship Competition

Delaware Chapter, American Guild of Organists

Information Sheet: 2009 Competition

The Vernon de Tar Scholarship Competition was established by the Delaware Chapter, American Guild of Organists to honor the late Dr. Vernon de Tar, internationally known organist, church musician, and teacher, for his many contributions to the profession over his long and distinguished career.

The scholarship provides for two prizes annually, one for an organist with limited playing experience (Level A), and one for a more advanced organist (Level B). This year, prizes include tuition for a summer, 2009 AGO-sponsored Pipe Organ Encounter, and a cash award of \$200, payable after attendance at a POE. The goal of the competition is to immerse the two young musician-winners in events focusing on the organ, and to foster in them a keen interest in the organ and in church music.

Competition for the Vernon de Tar Scholarship is open to organ students who are from 12 to 18 years of age, as of the date of the competition, and who reside within Region III, the Mid-Atlantic Region of the American Guild of Organists: Delaware, Maryland, southern New Jersey, Pennsylvania, Virginia, West Virginia, and the District of Columbia. Applicants must perform at the competition, which will be held at First and Central Presbyterian Church in Wilmington, Delaware on Saturday, March 28, 2009, beginning at 11:00 a.m. The repertoire requirements for the competition are as follows:

Level A

A prelude or fugue (one movement) from one of Bach's "Eight Little Preludes and Fugues."

A contrasting composition.

Level B

A large prelude and fugue of J. S. Bach.

A contrasting *introspective* composition from the 19th or 20th century.

The decision of the judges will be considered final. Judges have the right to award no prize.

The deadline for application is March 20, 2009. For more information or an application form, please contact:

Special insight on David Tannenberg from local experts

After a successful trip to Colonial Williamsburg in October, 2008, the York County Heritage Trust is on the road again to visit Old Salem Museums and Gardens in Winston-Salem, North Carolina. Founded in 1766 by the Moravians, the restored town of Salem is a vision of life in a congregational community in the early American South. Costumed tradesmen and women re-create life by producing essential goods like tools, ceramics, furniture, and metals using traditional practices.

The three day (Wednesday, June 10 through Friday, June 12, 2009) bus trip will include many highlights, including a private Tannenberg Organ Tour at Old Salem. Old Salem is the home of the largest surviving pipe organ built by David Tannenberg. (The Historical Society Museum of the York County Heritage Trust is the home of the last pipe organ built by Tannenberg.) The private organ tour will include information about the 1800 Tannenberg Organ, a performance by a professional organist, a behind the scenes tour of the hand pumped bellows, and the opportunity for participants to play the 1800 organ. Participants will also receive a guided tour of the Museum of Early Southern Decorative Arts, the Winterthur of the South, which has one of the finest collections of Southern decorative arts that includes furniture, paintings, ceramics, textiles, and metalworks, and tickets to visit the Old Salem Toy Museum and the Historic Town of Salem.

The bus trip will also include a stop in Madison, Virginia to hear renowned organbuilders, George Taylor and John Boody, speak about the restoration they completed on the 1800 Tannenberg Organ housed at Old Salem and the 1802 Tannenberg Organ at the Hebron Lutheran Church. Hebron Lutheran Church's organ has been in continuous use since its installation by Tannenberg's son-in-law. The organ is the finest and largest surviving unaltered example of Tannenberg's work. After visiting the Hebron Lutheran Church participants will travel to Staunton, Virginia for a behind the scenes tour of Taylor and Boody Organbuilding Shop.

The cost for members of the York County Heritage Trust is \$325.00 for a double occupancy room and \$350.00 for a single occupancy room. For nonmembers the cost is \$350.00 for a double occupancy room and \$375.00 for a single occupancy room.
